Donald,

It was great meeting with you and the rest of the Westchester BID board last Thursday. I was very impressed by the sincerity and genuine care in which the group operates. I wanted to let you know that our partners at Related Company referred us to Lucas Rivera (as was referenced in the meeting). I called his office and he was in a meeting but left a message and also followed this up with an email. I will get back to you with details of our conversation as soon as I speak with him. I also reached out to my contacts at Google, Facebook and Apple. They are all looking into any programs that might be available for community outreach/art. Again, I will keep you apprised as I hear back from these people. I look forward to our next meeting and will make sure that our group attends the majority of all BID meetings (in addition to our wonderful CBRE property manager, Lara Saab). Please feel free to use us or our contacts as needed, we want to work with the group to build upon the amazing work you have already accomplished.

Best,

Eric
